

Case admitted by the Lawfare Institute

Ecuador Case

On May 17, 2018 the Executive Committee of the **Lawfare Institute** received a letter from the **Instituto de Pensamiento Político y Económico Eloy Alfaro** in which it narrates serious facts that could be characterized as lawfare.

After a preliminary analysis of the situation described, the Executive Committee of the **Lawfare Institute** **admitted** the case and appointed as rapporteur the eminent **Prof. Pablo Ángel Gutiérrez Colantuono**, recognized Argentine professor and lawyer, who will be responsible for collecting the data on the case, analyzing them in depth and, at the end, issuing a conclusive report on the possible occurrence of lawfare.

To report cases of lawfare, access the following link: http://lawfareinstitute.com/?page_id=252
